NUTRIVISION 2026

Empowering Health

A Conclave on Nutrition & Healthy Lifestyle

Eat Right · Stay Active · Manage Wellbeing · Live Sustainably

Nutrition Today for a Healthier Tomorrow

About the Conclave

Nutrivision 2026 is an academic conclave that brings together students, scholars and experts to deliberate on current perspectives, innovations and practical approaches in nutrition for promoting a healthy and sustainable lifestyle.

Objectives

- Create a platform for knowledge sharing in nutrition and health.
- Encourage evidence-based and innovative ideas among students.
- Promote healthy dietary practices and lifestyle choices.
- Foster interdisciplinary dialogue between academia and experts.

Participants

- UG Students
- PG Students
- Ph.D. Scholars

Compulsory for Food & Nutrition Students

Participation and active engagement is mandatory for all students of Food Science and Nutrition.
