

Agriculture Education Day Celebration

3rd December, 2021

Chandra Shekhar Azad University of Agriculture & Technology, Kanpur – 208 002 (U.P.)

Today on 03.12.2021 "**Agriculture Education Day**" was organized in the Faculty Hall of the University at 11.00 am. Under the chairmanship of the University's Dean Agriculture Faculty, on the occasion of "Agriculture Education Day" organized on the occasion of his birthday, the first President of India, Dr. Rajendra Prasad, who was also the first Agriculture Minister of the interim government in the year 1946.. On this occasion, Dean Faculty of Home Science Dr. Ved Ratan, Joint Director Research Dr. S.K. Biswas, Nodal Officer (ICAR) Dr. Ram Pyare and in-charge AKMU Dr. Anand Srivastava expressed their views. In today's time everyone threw light on agricultural education and its importance. University students also participated enthusiastically in the programme. Km. Vaishali Gupta, a student of the Faculty of Home Science, said in her speech that education does not mean only getting education and getting a job. The meaning of agricultural education and community Science is to give your support in making the country self-dependent in quality food by taking education as well as entrepreneurship development. The student said that people consider agricultural education inferior to other education, while we should be proud that we should save agriculture education from malnutrition to all. In the program, the Dean, Faculty of Agriculture also narrated the message of Hon'ble Vice Chancellor. University teachers/scientist students/girls participated in the programme. The stage was conducted by Dr. R.K. Dwivedi in the program. In addition, Indian Council of Agricultural Research, New Delhi was organized programme in which already participated on-line and off-line by Hon'ble Vice Chancellor and Nodal Officer (ICAR).
