IT Policy

University it policy exists to maintain , secure and ensure legal and appropriate use of information technology infrastructure established in the university campus. This policy establishes university – wide strategies and responsibilities for protecting the confidentiality, integrity, and availability of the information assets that are accessed, created , managed and / or controlled by the university.

Digital information assets addressed by the policy include data, information systems, computers, network devices, intellectual property, as well as documents and verbally communicated information.

Realizing the significance of digital and internet services, university has established basic network / internet infrastructure in the university as intranet as internet services in current time have become most important resources in educational institution & research organizations.

Information & technology resource centre (ITRC) provides facilities to support and enhance the educational mission of the university; for enriching the educational experience of the students, faculty and the staff and supporting their research and academic activities; and for providing automation support to the institute. This facility is needed for day to day academic as well as official activities.

A user account for both email-id and internet user id are created for every individual (students/faculty/ staff) to the university. The account allows them to browse the web , send and receive e-mail, use the computational and interactive facilities. Hence, it is expected that every user has to use the services in a responsible manner. The user conduct and use should be tempered with propriety and spirit that respects that respects the right of everyone. Any abuse of the facility may have serious implications on the reputation and the standing of the institute as well as can bring the facility of the university into disrepute. Hence misuse of the facility will not be tolerated.

An undertaking application form for campus network services, usage agreements, net access id allocation for faculty/ staff and students, requisition form for e-mail account for employees and students are filled every individual who is stake holder of the university . The format of required undertaking is as under.
