MESSAGE

I am happy to note that the Alumni Association, C. S. Azad University of Agriculture & Technology, Kanpur is going to publish its **Illustrious Alumni Directory** of its life members on the occasion of the 7th AGM and Alumni Meet 2020. This Directory will carry information about the detail address of

Life members and Executive Council of the Association.

It is my trust with believe that this will be very useful document for providing valuable information about distinguished alumni of the university. I appreciate the sincere efforts made by Prof. Munish Kumar and his team for preparation of this directory.

Dr. D. R. Singh
Vice Chancellor
& Patron

PRESIDENT REMARKS

Dear Esteemed Alumni Friends,

First of all, I on behalf of Alumni Association, wish you all, a very-very happy, pleasant and prosperous Bhartiya Nava-Varsh Vikram Samvatsar 2076-77.

We would like to take this great opportunity to extend you all a very warm welcome in this Alumni Meet with 7th AGM and Brain Storming Session on “भारत

में कृषि-ऋषि परम्परा एवं प्राकृतिक खेती का बढ़ता महत्व।” i.e. “Growing Importance of Natural Farming in India.” The deliberations in this Brain Storming Session on Growing Importance of Natural Farming in India, will be very useful for Policy Makers, Extension Experts, Research Scientists and all Concerned.

Our dynamic Prime Minister Rev. Sri Naredra Modi has said that “Growth must be sustainable, constant and inclusive” So our prime focus for UP & Nation, is to Double the farmer's income through “Cow Based Natural Farming and sustainable agriculture”. In order to double the farmer's income by 2022, a sustainable & traditional approach along with intensive agriculture and balanced growth is needed through a paradigm shift from Chemical Agriculture to low cost Natural Agriculture, from production oriented plan to income oriented development plan and from an input intensive techniques to old & innovative modern technologies and quality production.

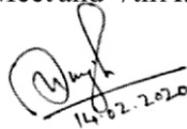

The goal of Alumni Association is to make sincere efforts for an all-round and holistic development of this University, its students and members. Agriculture Education is first for life& nation and then for livelihood as Agriculture Is the way of life in UP. & India. Hindi (Rajbhasha) medium should be given top priority in Agriculture Education, Research and Extension works. Personality development programmers for students and Students benefits schemes should be

launched by Alumni Association. Placement of the students should be our prime focus. Interface with Alumni's must be arranged regularly. Yoga and sports should be included as a credit course at all UG, PG, & Ph.D. level as youth is drifting away from physical exercise which is derogatory to dignity of labour & Nation. Guest house for the Alumnus is an urgent need of the hour.

Above basic goal and objectives of Alumni Association can only be achieved through active involvement and hearty participation of our dynamic members. So, Alumni Association solicits your remarkable contribution to achieve the said goal and objectives. Prof. Munish Gangwar, General Secretary, and E.C. deserve special appreciation for their sincere efforts in timely preparation of this Souvenir.

Alumni Association, once again thanks to all revered alumnus present here and wishes a very comfortable stay & life in this great University. I hope and wish a grand success of this Alumni Meet and 7th A.G.M.

“Loka samasta Sukhino Bhavantu”

14.02.2020

(Dr. Satyendra Kumar Singh)
President

CSA-ALUMNI ASSOCIATION: AN OVERVIEW

The Alumni Association of C. S. Azad University of Agriculture and Technology, Kanpur was constituted on September 6, 2006 with its 35 founder members. As per bye laws, the Executive Council was also constituted in the said meeting.
