Directorate of Placement

C.S. Azad University of Agriculture & Technology, Kanpur-208 002

Achievements

The CSA University imparts job oriented professional education in the fields of Agriculture, Horticulture, Forestry, Home Science and Agricultural Engineering. The duty of the University towards its students does not end here but includes finding suitable employment also for its Alumni so that their training and abilities are utilized for the benefit of the nation. In order to achieve this object, the University has setup a *full-fledged Directorate of Placement in 2001, which is a unique feature of the University.* The degree holder graduate and post-graduate students of various departments of different faculties are given job opportunities in public and private sector organizations/companies/industries etc. of various departments through liaison with them and campus interviews. Keeping in view the increasing national and global need of high-quality students to integrate agriculture with other service sectors for raising rural income, and the increased emphasis on the creation, dissemination, application and exchange of knowledge in this vital area, the *Directorate of Placement* has initiated capacity building of students in Foreign Language and personality development. In this context, 60 students have been trained for English language proficiency program and for the effective listening, learning, personal interactions, and presentation etc., two batches of 63 students (Batch 2022-24) & 67 students (Batch 2023-2025), 63 students from MBA had been trained in effective listening, learning, personal interactions, and presentation at Speak well for one month during 2023.
